President's Message---

I think I will start my last President's message by using the beginning of *The Tale of Two Cities*. It was the best of times. It was the worst of times. I like to focus on the best of times. We started the year with the balloon festival, followed by delicious potlucks, the silent auction, and the weekend swap meet. The year came to a close with great gem show and Christmas party.

Thanks to the people who would see past all the nonsense and continued to work on club projects.

You will never know how happy I was to have so many nominees for the 2012 officers' and board of directors' positions. I think the mix of new members and past office holders will make for an exciting new year. Please give your new officers your input and support.

Thank you all for putting up with me for this past year. It really was much more fun than I thought it was going to be. I'm going to miss it.

As always, your past President
"C" Russell

!Balloon Fest Info!

This year our club will be participating the the Lake Havasu Balloon Festival which will be January 19-22. This will be a great way to share our interests with the community. The club will have a booth in the "Arts and Crafts" village.

There will be demonstrations, possibly faceting and cabbing as well as wire wrapping and beading, planned activities for children, exhibits of rocks and finished products and sales. This is a huge event and the booth will be a great place to enjoy all the festivities that are planned. Last years booth was a lot of fun.

Although the purpose is not to make money, it would be nice to cover the expenses of the booth. We will need people to help in the booth during the festival and in preparation of materials for the activities.

We also need donations of rocks, jewelry etc. to be sold or used for prizes.

If you can help in any way please call Kathy McCauliff , 928-680-7698

Happy New Year! Happy New Gem Show!

Yes, it's time again to talk about the 2012 Gem and Mineral Show! We have been trying for years to move it into the spring. The only obstacle is getting the Aquatic Center as that appears to be the BEST location. We will continue to ask for dates in the spring but they are booked with "regulars" the same as us for November. We don't want to give up the November date until we have a great date in the spring. So that leads us into *who* will be the Gem Show Chairperson for 2012! PLEASE STEP UP! ☺ I was **very** nervous about taking it on last year as I had not been involved in the logistics, however it all worked great! There are wonderful hard working members to help out. I would do it again this year because it went so well but I am moving out of the area. I will be able to help whoever takes over. I want each of you to dig deep and make a commitment to the community to continue a great Gem and Mineral Show. (The longest running show in Lake Havasu!) Also, as I understand, it is in our bylaws that we have a Gem Show. For ALL you "newbies" out there that joined the club in the last year, you've made a commitment to not only be "in" the club but to continue it's success. I had been in the Club for less than 1 year and took on the Chairmanship, you can too!

PLEASE GET OVER THE NERVOUSNESS AND MAKE A COMMITTEMENT!
You will be rewarded many times over!

PLEASE CALL Karen 928-230-5504 or Jay Brown 408-251-4256 Thank you!

THE CHRISTMAS TAILINGS

by Judy Cano

Sam and I would like thank you, for your successful Christmas Party, held on Dec. 17, 2011 at the Mount Olive Lutheran Church's fellowship hall.

To all who pitched in and helped where needed when we set up and cleaned up. To all the cooks for bringing such wonderful food. We don't think anyone went home hungry. Thanks to all of you who brought rocks and even brought extra ones. I hope all of you had a good time playing the game. As usual our very own auctioneer, Mr. "C" Russell, did a rock solid job auctioning all the decorations. Thanks to all of you who participated in the auction, a total of \$80 was presented to The Inner Agency Food Bank on Monday December 19, 2011.

Oh, the man in the red suit, the one you had your picture taken with was JaY Brown, our new president. a round of applause goes to Santa, Thanks!

A special thank you to Marla and Ken Diehl, for completely taking over all the drinks and the kitchen.

thanks to Liz and Lou Porter who were unable to come, but helped me anyway. Liz for buying all the necessary supplies, and Lou for all the tumbled rocks that were used for the decorations.

A boulder size thanks to the following people who came to the setup meeting the saturday before the party and came at noon the day of the party and set up the tables and put all the decorations around and even made some of the decorations. Edith Waldon, Gayle Gilpin, Carol and Homer Rhodaback, Liz Porter, Shana Bodily, Shirley Durrett, Karen Olsavsky, Lee Olsavsky, Bob and Mary Drayton, Fred and Toni Strammer.

We would like to especially thank the following new members, Karen, Lee, Bob, Mary, Fred, Toni, Jim and Mariann Kasper, for greeting you at the door and taking care of the food you brought. We hope we didn't miss anyone, if we did, we are sorry, thanks! Now who will do it next year? Sam and I will help!
