There are a lot of different areas that need help and I know each of you will be able to fill a need. Also, please bring a Bag of Candy to the October meeting for Halloween Fright Night!

President "C" Russell called the meeting to order at 6:55 PM.

The Pledge of Allegiance was led by Sergeant-at-Arms, Don Wininger

The recipients of our Scholarships, Ross Carlton and Nolan Masdorf spoke of their gratitude to the Society. This will help with their continued education.

President Russell welcomed members and guests to the meeting. He spoke with guest Mark Payne who stated that he will be teaching a number of classes in smithing and other related subjects at the college. Ella Palmquist brought a friend, Keith Collins.

Minutes of the April 8, 2011 General Meeting were approved as printed.

It was noted that Past President, Stan Sutton's name be added to the 2011 "officers and Directors" and Government Compliance Chairman Judy Cano be added to "Committees".

President Russell resumed the meeting.

Committee Reports:

Field Trips: Dave Frybarger read a statement from a BLM publication concerning participation in field trips. The concern is our trips not be "stated or published" for public attendance. Dave will add to

General Meeting Minutes, cont. --

his future trip schedules that "Field Trips are for Members and their Guests only". This is necessary due to the fact this schedule is printed on the internet.

Government Compliance: Judy Cano stated that everyone has been getting the required paperwork accomplished. Those needing to do reporting during the summer will be notified by her in advance of these reports by email.

Greeter/Fifty-Fifty: Edith Waldon turned in the Membership Sign-in and Guest Sheets. There were 47 members present and 4 guests. The fifty/fifty brought in \$100.00.

Workshop/Education: Don Wininger reported that he is pleased with the participation in the workshop being held at the college. There is room available for more interested people. Those attending are enjoying the classes. An invitation was extended to those doing wire wrapping and beading as there is plenty space available.

Old Business: There was a discussion concerning "unofficial summer meetings" to be held on the second Friday of each month at the public library. Stan Sutton made a motion to do this and it was seconded by Jay brown. The motion was approved.

There was more discussion concerning the Sponsor Program. There was a positive response to the idea and several people offered to be sponsors. This will be brought up again in the fall.

New Business: Judy Cano stated that the wire wrappers//beaders will meet the 3rd. Fridays of the month during the summer at the public library. Please Come.

It was asked that the classes available be put on our website.

General Meeting
September 9, 2011**

President "C" Russell called the meeting to order at 7:09 p.m. fifty- three members and seven guests were present.

Sergeant-at-arms, Don Wininger, lead the Pledge of Allegiance.

"C" wished a happy birthday to the more than forty-two members who had birthdays over the summer.

He also welcomed each guest and had them introduce themselves. Many guests are new to Havasu and are excited about becoming new club members.

The minutes of the May meeting were read by Liz Porter since they were not printed in the Rocky Tales. Our secretary, Carol Rhodaback is out of town so Liz will be serving as treasurer and secretary. The minutes were approved as read.

Liz Porter presented the treasurer's report and it was accepted.

Since Gayle and Rick Gilpin are still out of town, there was no introduction of new members or program.

President Russell announced that Pat Guilmet, our vice president resigned and that David Frybarger was chosen by the board to finish out her term.

Pat was also working on finding a place for our Christmas party. After some discussion, Stan Sutton moved and Jay Brown seconded, that the Christmas party be a Pot Luck in our usual meeting hall and that there will be a more formal party in the winter. The motion carried.

Refreshment chairman Nan Russell, thanked Linda Gromov, Carolyn Jones, Toni Strammer, Lee Mulligan and Lois Ediger for bringing treats to the meeting.

Refreshment chairman Nan Russell, thanked Linda Gromov, Carolyn Jones, Toni Strammer, Lee Mulligan and Lois Ediger for bringing treats to the meeting.

President Russell called for a break.

Meeting Resumed:

Committee reports:

Show chairman, Karen Lohr, said the plans for the show are coming along. There is a need for club members to take and sell at least \$20.00 in raffle tickets. Judy Cano mentioned that a sign-up sheet was at the back table for people who are interested in helping with greeting people during the show.

Show kitchen chairman, Jay Brown, introduced the possibility of holding a Pot luck for vendors and club members at our November meeting which is at 5:00 before the show at the Aquatic center. After some discussion, Jay asked for a show of hands to see who would be interested and most of the group raised their hands.

Jay also asked for volunteers to help in the kitchen and for people to make chili.

Kathy McCauliff has been working out in the community to get donations for prizes for drawings. She could use some help since this is a huge task. Also there is a need for people to fill display cases and donate door prizes.

Workshop chairman, Don Wininger, said the Wednesday workshop at the community college is going well. The workshop has been refurbished by instructor Mark Payne. Attendance is good, but there is always room for more. President Russell suggested that the workshop attendees put together a display case for the show.

Field Trips: Tom Henderson said to talk to him to find out what to bring on field trips. The committee meets at David Frybarger's house on the second Monday of each month.

Assets: Kathy McCauliff said that the swap meet booth will resume in November.

Old Business:

Sponsor program: There have been previous discussions about sponsoring new members in the club.

General Meeting Min., cont.

Fright Night: Last year, Kathy McCauliff, and other club members handed out candy along with a gem show flyer and reminded people about our upcoming show. It was a good way to get cheap advertising for the gem show. Last year's attendance was quite large. Please bring a **bag of candy** to the October meeting to help with this advertising.

New Officers: A nominating committee is forming to nominate officers for 2012. Stan Sutton and Tom Henderson offered to help. President Russell encouraged all members to consider being an officer. Elections will be held in December.

GEM & MINERAL SHOW EXCITEMENT!

It's time! The Committee Chairpersons have been working hard on each perspective job. Now it's time for the members of our club to step up and help out to create a great Gem and Mineral Show for our Community. Let me remind you that this is the *longest* running club event in Lake Havasu history! **So let's continue to make it successful!**

We have a fantastic variety of Venders this year. ***Don't forget to stop by their booths to welcome them and thank them for being in our show!***

Everyone in the club has the ability in some way to help out! Here are a few things we need:

Polished Rocks! Anyone who has rocks or the ability to polish rocks, please donate at least a baggie full. To help put Grab Bags together, contact Nan at: 928-846-0927

Showcases will be located on the stage. If you want to display your treasures in a showcase, contact Gary Mortimer at: 818-307-1440

Getting the word out to the Public:

If each member would take a "Rack Box" with show information to 4 local businesses such as Hotels, Stores, Doctor Offices, etc. and/or extra information cards that the business can post (if they don't have room for the "rack box") it would help out tremendously. They will be at the Oct. meeting.

We need a few people to hand out the info cards at the London Bridge Days Parade and Fright Night in October. Contact Kathy McCauliff at: 928-680-7698

Pot Luck Friday night before the show honoring our vendors. This was voted for at the September meeting and we will check again at the October meeting to make sure we have the support for this amazing opportunity to welcome our vendors. Please participate.

Kitchen: Sign up to help in the kitchen and a separate sign up to bring: Chili, pies, cookies, brownies, cupcakes! Contact Jay Brown at: 408-251-4256

{Please remember this is separate from the potluck on Friday night.}

Set up/take down: Thursday is the day to set up the tables and the showcases and Sunday starting around 4pm for take down, so any able body out there that can help, please contact C Russell at: 928-846-0927

Friday is an easy day for club members so you can concentrate on the Friday Night Potluck and whatever job or food you have signed up for on the weekend!

THANKS FOR YOUR ASSISTANCE!!!

Call Karen Lohr if you have any questions!!! 928-854-9449 or email karenlohr@frontiernet.net

Rockhounding on BLM Land

Rockhounding in Arizona, a brochure produced by the Bureau of Land Management, summarizes the regulations for rockhounding on public lands. Briefly the regulations state that: "You (may) collect reasonable amounts of specimens. In Arizona, BLM sets the 'reasonable' limits for personal use as up to 25 pounds per day, plus one piece, with a total limit of 250 pounds per year." This brochure is available from any BLM office in Arizona, including the Arizona State Office at 1 N. Central Avenue, Phoenix, AZ 85004, Phone: 602-417-9200. The BLM's rockhound page offers information on some specific areas including the Burro Creek Campground area northeast of Wickenburg, the Black Hills Rockhound area northeast of Safford and the Round Mountain area located southeast of Safford.

Bench Tips by Brad Smith

REMOVING A STONE FROM BEZEL SETTING

If you've forgotten to use dental floss and got your stone caught in a bezel, there's one thing you can try before starting to pry. Find some sticky wax or beeswax. Roll it into a pencil-sized cylinder and stick the end onto the top of the stone. Mold it on well and yank.

If all else fails, you either have to very carefully pry open the bezel with a sharp knife blade or drill a small hole in back of the stone and push it out with the point of a scribe.
