President's Message---

I wish I could say that I am sorry to see this year end, but I am not. It has not been a very productive year. However, we learned some very important things that will help in the future. The board spent so much time arguing, for whatever reason, about something they didn't know anything about. As a result, it would occupy the entire meeting and nothing was really accomplished.

Thank heaven for Karen and Kathy. While all this was going on, they were putting this year's gem show together. I might add it was the largest show ever in the history of the club. New ideas were tried and most worked just fine. We learned what could be done next year. Kudos to Karen and Kathy and all the volunteers, job well done! As far as set-up and tear-down that I was handling, I want to personally thank all the people that showed up. You know who you are! It was the easiest set-up yet. The tear-down and repacking of the tables and show cases went so well we were done by 6:30, even though a couple of vendors were a bit slow. Monday morning we found a flat tire on one of the trailers, but we got it changed and Lew and Don got the trailers back in storage for another year. Again, thanks to all who contributed to a successful show, including the kitchen, greeters, ticket sellers and security.

Don't forget the December meeting. Please try to make it. We will be voting for next year's officers. We have a great list of nominees for most of the offices, but we will still take nominations from the floor at the meeting. If you have any strong feelings for the club this is the time to be heard. Be there and vote!

The one thing I have enjoyed this year, and I think it's what keeps me paying my dues is you, the members. I have made so many really good friends, it has been a pleasure to stand up in front and preside over the meeting. I know whoever takes my place will find the same thing.

See ya at the meeting
"C"

General Meeting Minutes November 11, 2011

**Mt. Olive Parish Center

Lake Havasu City, Az. 86403
Submitted by Acting Secretary
Carol Rhodaback**

Lake Havasu Gem and Mineral Society

President C Russell called the meeting to order at 6:14 p.m. Present were 74 members and 9 guests. Board members present were C Russell, Liz Porter, Carol Rhodaback, David Frybarger, Tom Henderson, Don Wininger, Stan Sutton, Rick Gilpin and Jack Hodges.

Don Wininger led the Pledge of Allegiance.

C Russell welcomed all guests and announced names of people who had November birthdays. Congrats to Bill and Bess Terrell on their anniversary.

C asked for additions or corrections to the minutes. There were none so the minutes of the October meeting were approved as printed in the Rocky Tales.

Liz Porter gave the treasurer's report which was accepted as presented.

MEMBERSHIP: Gayle Gilpin announced the names of six new members and four returning members. They are: Duston Hart, Joe and Tina Handler, Christal Pressnitz, Ayla Hynes and Lucy Leonard. Returning members are Carol Stone, Sue Sallee, Linda Chandler and Vereen White.

ANNOUNCEMENTS: Bob and Ann Holmstrand have a friend that has petrified wood in their yard they would like to get rid of, sell, as they are moving. Give Bob and Ann a call for more information.

COMMITTIES

Fieldtrips: Dave Frybarger spoke briefly about the BLM meeting that occurred here on Thursday, November 10, 2011. BLM is proposing the closure of many of the local roads used for rock hunting. 2,200 letters have been sent to the BLM opposing these closures. The BLM may also charge a \$5.00 fee per person when found rock hunting. The November and December fieldtrips are printed in the Rocky Tales.

General Meeting Minutes, cont.

Dave reminded everyone that guests are welcome with a member and must ride with that member. Be sure to take your two-way radio to use on the road and while out of our vehicles looking for rocks. Notations will always be made concerning the terrain we will be traveling in our vehicles and on foot.

Friendship: Madge Klinger reported that a card was sent to Charlisse Scott in the name of the club. Madge asked that if you know of anyone in the club that could use a card to contact her.

Government Compliance: Judy Cano stated that she is now required to keep up with new rules of compliance on a regular basis.

Greeter: Gail Gilpin submitted the Membership Sign-in and Guest Sign-in sheets for this meeting.

Show: Karen Lohr reminded us that the Gem and Mineral Show begins tomorrow morning. Hours will be 9am to 5 pm on Saturday and 9am to 4pm on Sunday.

Social Director: Judy Cano reminded us that Dec. 17 from noon to finish, the decorating will be done for the Christmas Party. Everyone is welcome to help and there is a need for the men to help with some heavy lifting involved.

Workshop: Don Winger informed us that anyone using the college workshop must first take the basic course in lapidary or faceting class. The club will reimburse, one time only, half of the member's tuition for taking one of these two classes at MCC. To receive the reimbursement the member will donate two pieces of their work to the club and prove that the class was completed.

Old Business: It has been approved that show vendors will be considered auxiliary until Dec. 31, 2011. Their membership fee will be prorated at \$2.00 per vendor to be taken from their booth rental. This will keep the club in compliance with IRS regulations. This needs to be made part of our By-Law changes. Sharlene Hellberg and Barry Bandaruk volunteered to be part of the committee to update our By-Laws and Standing Rules.

Nominating Committee: Stan Sutton and Tom Henderson asked for volunteers to round out the ballot for all the various positions being voted on next month. When Stan Sutton was nominated for President he had to resign from the nominating committee. Homer Rhodaback and Lou Porter volunteered to be on the committee.

General Meeting Minutes, cont.

There was discussion concerning raising the club dues. Homer Rhodaback made a motion to table membership dues increase discussion until January 2012. Motion was seconded by Ken Deihl. Motion passed.

Vereen White donated a screen printed t-shirt and baseball cap with the club name on them. C Russell auctioned them off. The hat went for \$31.00 and the shirt for \$20.00.

The meeting was adjourned by C Russell at 8:25 pm.

Respectfully submitted by,

Carol Rhodaback, Secretary

The Gem Show was a Great Success!

THANK YOU to ALL that helped! A SPECIAL THANK YOU TO ALL OF MY CHAIRPERSONS. This could not have been done without you. My sincerest gratitude. We will submit a financial report at the December meeting. Suggestions are welcome if you are prepared to implement them.

Our "Hot Rock n' Food" was the hit of the show! Thanks Jay Brown!

We want to Hear from you!!!It's time again to discuss the next show. ☺ We are considering the possibility of moving the show to Springtime. Right now we have a date reserved for the first weekend in February 2013. At this time it's all we can get but we can possibly move it to the end of February or into March another time. We know we couldn't do it in February 2012. It would be too soon! We would like your input on your pros and cons. Please contact Liz Porter. E-mail: lizinyl@aol.com or phone: 928-453-8415

We will discuss this at the December meeting. Think about reasons you would or wouldn't want to change. WE WANT TO HEAR FROM YOU! We can put them in the January newsletter so everyone has a chance to think about it and we can take a vote in January. This will help with future planning and comes down to which month you would prefer to work.

SUPPORT FOR LOCAL INTERAGENCY FOOD BANK

Please Help!

Judy Cano, Social Director reported that she has heard from the local food bank and their shelves are getting quite bare. People need to eat year round, not just at Christmas time. She is asking members to bring food items to all meetings. The food will be picked up each meeting by a food bank representative at around 7:30 during the meeting.
